

Background of Emergency General Meeting of the BCerS

Bangladesh Ceramic society started its journey since 1992. 1st Annual General Meeting of BCerS was held on 1993. The golden period of this society was 1993 to 2002. The activities of the society declined later on. Last Newsletter was published in June, 2002. It is sad to say that due to unavoidable circumstances, society had a low or no-activity decade behind it. The members list have not been updated and the membership fee remains unpaid. No new member is enrolled for long and no newsletter was brought out. Last AGM and audit was done in 2006.
